All returning participants of every sport club must fill out and submit a Returning Athlete's Health History form (HHR) in order to participate in 2022-2023.

- If you were NOT medically cleared to participate in sport clubs during the 2021-2022 school year (or you are completely new to sport clubs), you need to get a physical and go through the PPE process. The PPE forms and instructions are linked HERE.
- Must use the provided Cal Sport Club specific form: Returning Athlete's Health History form (HHR)
- Must be completed by the student.
  - HHR completed by family members or friends will not be accepted, regardless of credentials.
  - If you have a pre-existing condition that may affect your ability to participate in your sport, please be sure to note the details on your HHR form
- A completed exam must have:
  - The student's signature, as well as the date.
  - Signature must be signed, not typed.
